

HEAVY DUTY™ CONSTRUCTION

Marathon is everything you want in a partner, with over 130 years of lubricant experience.

- **Premium Performance Quality** – We subject all our oils to the harshest million-mile tests. The results? We meet or outperform the higher priced competition. Our Radial Polymer Technology resists engine shear and maintains viscosity so it reaches all critical engine parts fast, even at low temperatures. Powerful detergents keep engines clean in longer intervals between oil drains.
- **Responsive Customer Service** – Have questions? You deserve fast answers from knowledgeable experts on a mission to support your business.
- **Competitive Pricing** – We believe reliable, superior quality products shouldn't mean inflated prices. If you want a brand that delivers dependable performance at surprisingly competitive prices, we are your brand of choice.
- **Wide Product Slate** – Your customers have diverse needs, and our vast product catalog features the right products to get the job done. From TO-4 fluids to greases, we proudly offer the highest quality products to our customers.

Products endorsed by the API and ILSAC.

COMPETITIVELY PRICED. UNCOMPROMISED QUALITY.

// Engine Crankcase

Marathon Multipower-3 Elite® 15W-40 & 10W-30	Million-mile tested synthetic blend heavy-duty engine oil. Delivers soot dispersion, piston cleanliness, and wear control.
Marathon Full Syn 5W-40	Full syn motor oil for mixed fleets. Delivers 1.5% improved fuel economy vs. conventional 15W-40 oils. Suspends harmful soot & reduces wear.

// Transmission

Marathon Marafluid-4 30W	Transmission & drivetrain fluid featuring highly-refined base oil, premium additives, and friction modifiers.
--------------------------	---

// Hydraulic System

Marathon Marafluid-4 10W	Transmission & drivetrain fluid featuring highly-refined base oil, premium additives, and friction modifiers.
Marathon Multipurpose AW	Hydraulic oil with anti-wear protection, oxidation, & corrosion inhibition. Offers up to 6,000 oxidation hours.
Marathon Premium II Hydraulic Oil	Hydraulic oil with highly refined Group II+ base oils. Additive package easily handles heavy loads and reaches up to 8,100 oxidation hours.
VHVI Multigrade Hydraulic Oil	High viscosity oils packed with anti-wear and cold temperature performance additives. Extreme pressure protection and shear stable fluids for reduced oil consumption.

// Bearings & Grease Points

Super Maraplex EP2 Grease	NLGI #2 lithium complex grease with extreme pressure protection. Resists water washout, easy pumpability, combats rust and corrosion.
Maratech Premium Blue Grease	NLGI #2 calcium sulfonate grease with extreme temperature protection and a 550° F dropping point. Impressive shear stability and water washout resistance.
Maratrac Black Moly 3% #2 Grease	NLGI #2 lithium complex grease featuring 3% Moly to offer EP protection. Improved water washout and reduced metal contact.

// Gear Drive

571 Multipurpose 80W-90	Extreme pressure lubricants with thermal stability, corrosion, rust, & sludge protection and seal compatibility.
Marafluid-4 SAE 50	Transmission & drivetrain fluid featuring highly-refined base oil, premium additives, and friction modifiers.
